An Afternoon in Greece:
Homemade Greek Food, Salt Air & Dancing

"You enter Greece as one might enter a dark crystal: the form of things becomes irregular, refracted, Mirages suddenly swallow islands, and wherever you look the trembling curtain of atmosphere deceives."

---from Prosperos Cell by Lawrence Durrell

Allow your spirit to soar here with us at our little white *spitaki* by the sea at beautiful Faria Beach. Da~na, founder of Mediterranean Escape Catering, who was born and lived in Greece over many years, will prepare this unforgettable and authentic Greek meal. Food, wine and dancing will work their magical ways on body and soul by the blue waters of the sea. Bring a hat; wear comfortable festive attire and dancing shoes. Apollo promises to shine on this day but bring a jacket anyway.

Plan to participate in our raffle: A small place to stay, a Greek *spitaki*, in Nea Makri (at the foot of Mt. Marathon near the sea) for a week, 45 minutes from Athens.
